

“Sponsor a Downtown Bench”

Some of the things that make a hometown special are bricks, flowers and benches. As part of our downtown beautification, Cleveland Better Home Town is proud to offer a sponsorship to the community for the metal benches on the Square. Several benches have already been sponsored and this is your opportunity to sponsor a bench in Phase II of our streetscape project.

The bench sponsorship is \$500. Your name and short message will be engraved on a plate that will be affixed to the backrest of the bench and will become part of our history for other generations to enjoy. A limited number of benches are available so don't miss your opportunity to immortalize a loved one.
