Dear Friends:

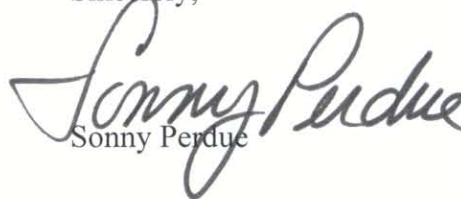

Mary and I are pleased to extend best wishes for the Cabbage Patch Kids 25th Birthday Party and Fall Leaf Festival co-hosted by Cleveland Better Home Town and BabyLand General Hospital.

We extend a warm welcome to Senator Zell Miller, Master Tyler Dorsey, Chair of the Fall Leaf Festival, other distinguished guests, elected officials, sponsors, hosts, youngsters and their families and other attendees to this special event. Today's festivities include refreshments, carnival rides, a parade, a book signing with Senator Miller and live music. There is something for everyone, young and old alike, and we wish you all a great day of fun and fellowship.

Cabbage Patch Kids became an American Treasure from the day they were "born." We wish them a Happy 25th Birthday and many more years of bringing joy to Georgia's and the nation's children.

We are proud of young Tyler Dorsey, the Cleveland community, Cleveland Better Home Town, the White County Chamber of Commerce, sponsors, hosts and everyone else involved in organizing this event. You have our gratitude for your many contributions to Georgia's success.

Sincerely,

Sonny Perdue
